This letter obligates \$78,354 of Operating Fund subsidy for the months of May through September of 2009. The amount of this interim obligation is your agency's calendar year estimated eligibility of \$231,142 prorated at 88% for five months. The interim proration percentage is based on the current appropriation level and total estimated eligibility for all public housing agencies. For an explanation of this proration percentage calculation visit the Asset Management webpage: <http://www.hud.gov/offices/pih/programs/ph/am/funding.cfm>.

Total operating subsidy eligibility and funding amounts for all PHAs, and therefore proration levels, may change once all FFY 2009 operating subsidy forms and revisions have been processed. Adjustments will be made based on final approval of FFY 2009 applications.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.
