

faith effort, enter the gross rent of the oversized unit at the time of the family's admission to the voucher program.

Note: The HAP contract automatically terminates after one year and then the family must follow normal program rules.

For shared housing: If the family shares the unit with another family, enter the lower of the payment standard for the family unit size or the family's prorated portion of the payment standard for the shared housing unit size. To derive the family's prorated portion, divide the number of bedrooms in the family's private space by the total number of bedrooms in the shared housing unit.

For a Independent Group Residence (IGR): If an elderly person or a person with disabilities resides in an IGR, enter the lower of the payment standard for the family unit size or the family's prorated portion of the payment standard for the IGR size. To derive the family's prorated portion, divide the number of persons in the assisted household (usually one, unless there is a live-in aide) by the total number of occupants (assisted and unassisted) who reside in the IGR.

12k. **TTP (copy from 9j):** Total tenant payment per month, as noted in line 9j.

12m. **Maximum subsidy: 12j minus 12k (if 12k is larger, put 0):** The maximum amount potentially available to the family for rental assistance under the voucher program. Subtract the TTP (line 12k) from the voucher payment standard (line 12j).

Note: If the TTP if based on adjusted income is larger (line 12k), enter 0 (zero).

12n. **Utility allowance, if any:** If the rental payment does not include all utilities, indicate the monthly allowance amount for tenant supplied utilities that applies to the family occupied unit.

Note: If there is no utility allowance, enter 0 (zero).
