

(P) Prorated assistance -

This applies if one or more family members do not provide acceptable documentation of their citizenship or eligible immigrant status. The HA gives an assistance amount based on the percentage of the family that *provided* acceptable documentation of citizenship or eligible immigrant status. The HA must establish at least one family member's acceptable degree of eligibility (through documentation) to make assistance available.

Note:

Does not apply to mixed families who are eligible for full continuation of assistance or those who choose temporary deferral of termination.

Note:

The HA must suspend financial assistance for at least 24 months to any family that knowingly permits an ineligible individual to reside on a permanent basis in the family's unit, unless any assistance proration calculations include the ineligible individual.

(T) Temporary deferral of termination -

This applies to families without any eligible members, or families subject to proration that do not accept the prorated subsidy. To receive this deferral, the family must have participated in a rental housing assistance program before June 19, 1995. Such families continue to receive full assistance for up to 3 years. If the family is granted a temporary deferral of termination after November 29, 1996, it is available for up to 18 months.
